## **Tallika Corporation Opens Office in the Silicon Valley**

Mesa (AZ), USA, August 17, 2007—Tallika Corporation, a concept-to-production electronic design services and Intellectual Property licensing company, announced today that it opened an office in San Jose, California to support its growth.

The Arizona based company, which is privately funded, was founded in January 2004 and already has design centers in Mesa, Arizona and Chennai, India.

"Silicon Valley presence is the cornerstone of the growth strategy of our Company. Our customer base continues to expand and that demands our presence in the Silicon Valley," said Hemi Bhatnagar, company President and Chief Executive.

### **About Tallika Corporation**

Tallika Corporation is a leading provider of Silicon Intellectual Property and Professional Design Services for the consumer, networking, computing, and storage markets. Tallika's IP Portfolio includes Xilinx based Secure SOC Platform, PCI Express Controllers, Security Solutions and DDR I/II Controllers. Tallika's design services include Embedded Systems/Software Development, turn-key Specification to GDSII – Specification, RTL, Verification, and RTL-to-GDSII for digital and mixed-signal designs. Tallika specializes in design services for system level enablement of PCI Express and Security technologies for its customers. Tallika's corporate headquarters is in Mesa, Arizona, USA with a design center in Chennai, India (about 100 miles southeast of Bangalore, the largest metropolis and industrial hub in southern India).
